

“Pinnacle PSG working in partnership with Hounslow Homes to deliver quality Grounds Maintenance”

The gardener’s work is seasonal and is often dictated by the weather, however as Hounslow Homes designated contractor we will make every effort to adhere to the schedule below:

March to October

- Visit site on a fortnightly basis
- Cut the grass, however we do not usually collect the cuttings
- Ensure all grass cuttings are blown off the hard surface areas
- Carry out at least two herbicidal sprays to kill all weeds on hard surface areas
- Carry out nuisance pruning e.g. around windows and access ways as and when required
- Hedges & shrub beds will be kept in a tidy condition
- Carry out weeding to rose and shrub beds

November to February

Carry out all winter works, the winter works schedule will be published in October.

Winter works will consist of:

- Shrub bed maintenance – edging/ weeding/ pruning
- Hedge cutting
- Path edging & Leaf clearance
- Bark mulching rose beds (where applicable)
- Roses will be pruned twice yearly
