

## Could YOU be a Hounslow Homes Board Member?

During June we will be holding an election to fill three board member posts: one for the central area, one for the east area and one leaseholder role.

- What is important is your experience of living in council-owned housing and with your contribution, the board can make decisions that meet the needs of the residents.
- This may be the job for you if you can talk to others and you are good at explaining the things that are important to residents.
- Support and full training will be given to new board members, and expenses paid.

- Only tenants living in the central and east areas may apply for the board member posts for the respective areas.
- All leaseholders may apply for the leaseholder role.
- We would like you to take part either by applying for the post or by voting.
- **Successful candidates** will take up office in October 2007.

## If you are interested please let us know by Monday 14 May 2007
