

Hounslow Homes Neighbourhood Warden Scheme

Building Safer Communities

Hounslow Homes' Neighbourhood Warden Scheme is provided by Hounslow Homes and supported by London Borough of Hounslow, Hounslow Police and Thames Valley Housing Association.

The scheme aims to:

- Improve and make your local neighbourhood safer
- Reduce the fear of crime
- Help reduce anti-social behaviour including harassment, racial harassment and nuisance.

Neighbourhood wardens also help the community in other ways; by assisting with fun days, reporting repairs, reporting abandoned cars, recommending environmental improvements and helping with emergencies.

The 32 estates included in the scheme have been selected according to the levels of anti-social behaviour, crime, and social deprivation present at this time. Other estates may be added if anti-social behaviour and crime increases and additional security is needed.

All estates can benefit from Hounslow Homes' responsive Neighbourhood Warden service. This service means that from time to time for short periods the wardens will be present on other estates for specific issues that need responding to.

Neighbourhood wardens will carry out high visibility patrols on foot and in marked vans, from 3pm to 11pm each day, on the following key estates*.

- Oriel Estate
- Convent Way
- Beavers Estate
- Haverfields
- Brentford Towers
- Ivybridge

**Key estates are those which have a visible warden presence, 7 days a week from 3 pm to 11pm.*

Please continue to use your local housing officer, who together with the team of wardens and other organisations will be working to reduce crime and fear in your neighbourhoods.

Your co-operation and support is needed to help make our estates safer and cleaner places to live.

Please report problems of anti-social behaviour, graffiti, racial harassment, youth nuisance, abandoned cars, vandalism, noise and fly tipping to your local housing office.
